*Arts Camp @ RoCA tries to accommodate all interested children. However, there are a large number of transitions and sensory changes throughout the day. Children are expected to be able to follow all directions, rules and expectations independently. Children must participate well with others and follow safety rules without adult prompts.

For children with certain special needs, our camp can be an enriching and inclusive experience, however, without prior notification of certain specific needs, there is a potential for staff as well as children to be put in difficult situations.

Please contact Antonia at antonia@rocklandartcenter.org or 845-358-0877 x.18 to discuss your child's particular needs. If possible, be prepared to discuss any school service plans applicable to your child.

Welcome to Arts Camp @ RoCA!

A place for children to explore their creativity and imagination while developing skills they can bring back to the classroom and use throughout their lives. Arts Camp @ RoCA features one of the region's most comprehensive youth art programs. Under the guidance of professional teaching artists/educators and caring counselors, campers explore the arts in a supportive environment where creative expression, group cooperation, personal development, confidence and self-esteem are encouraged. RoCA campers feel a strong sense of accomplishment at the end of summer.

The RoCA campus invites campers to be immersed in art on our ten wooded acres and in our fully equipped, air-conditioned art studios. RoCA's large sparkling pool and open field provide plenty of healthy outdoor recreation. Our camp is proud to maintain a consistent 5:1 camper to counselor ratio for ages 5-9 and 7:1 for ages 10-14. Arts Camp @ RoCA is a place where memories are made, and children forge lasting friendships with their peers and counselors. Children are grouped by grade level.

Join us and see why Arts Camp @ RoCA is one of the area's most sought after, unique, and praised day camps!

swimming

Campers enjoy recreational & instructional swimming daily, weather permitting, in our large, sparkling pool. Children learn safety, sportsmanship and swimming skills. Games such as water polo and relay races reinforce these basics. The swimming program is under the supervision of an adult specialist who is a certified professional rescuer trained in CPR and first aid. Camp lifeguards are BLS certified. A camp Medical Director is on site.

musical theater on mondays & fridays

Musical Theater is the focus of the Monday/Friday program. Campers perform songs, dances and short scenes from Broadway musicals. Working together, they create their own props, costumes and scenery, and then bring it all to life in an exciting, session-ending performance, which parents are welcome to attend.

For full information on our camp program, visit www.rocklandartcenter.org.

artistic programming

Arts Camp @ RoCA offers a range of studio-based activities. Professional teaching artists create a curriculum based on the interests and ages of the campers in the groups. Activities are age appropriate and subject to modification.

Meet Our Camp Director: Antonia Edelstein

Antonia has been a part of Rockland Center for the Arts for over 20 years. First starting out as a camper at the age of 6, and eventually moving up through the ranks as a counselor, she became the camp's Assistant Director in 2015 and the Camp Director in 2021.

During the school year, Antonia works as a School Psychologist in the Clarkstown Central School District, at Strawtown Elementary School. She holds a Masters Degree and Certificate of Advanced Study in School Psychology from CUNY Brooklyn and a BA in Psychology and English from CUNY Hunter College. She is currently pursuing a Psy.D. at Fairleigh Dickinson University.
