Dear Parent,

Do you have a creative child who would benefit from art instruction and inspiration? If your child enjoys art, but you cannot financially support a class, please read this letter. Please fill out the enclosed application and registration forms *completely* to be considered for a late spring class scholarship at Rockland Center for the Arts.

Rockland Center for the Arts (RoCA) is a non-profit art school in West Nyack that offers art classes for ages 4 to adult. Each semester we award a **limited** number of full scholarships to our art classes. Scholarships will be awarded on the basis of financial need.

A complete listing of classes can be found on our website at www.rocklandartcenter.org. **Please make sure to fill out the registration and scholarship form completely. Due to the high volume of applications, only complete applications with registration will be processed. No applications will be accepted after the January 2 deadline, and we can only accept one application per family each semester.** Students should list three class preferences in the event their first choice isn't available.

All applicants will be called and informed of the status of their application. If you have any questions, please call me at (845) 358-0877 ext. 17.

Sincerely,
